

U. S. DEPARTMENT OF AGRICULTURE,
BUREAU OF ANIMAL INDUSTRY.

A. D. MELVIN, CHIEF OF BUREAU.

INDEX TO SERVICE AND REGULATORY ANNOUNCEMENTS, 1914.

	Page.
Accidents to employees, reports of.....	42
Accounts—	
expense, place where incurred to be stated.....	78
registered mail charges, receipts required.....	78
Actinomycosis—	
in imported beef tongues.....	22
in sheep carcasses, instruction.....	158
Address, telegraph, registration of.....	41
Agents employed in bureau entitled to leave with pay.....	102
“Anchor Brand Lime & Sulphur Dip,” permitted for official dipping of cattle and sheep for scabies.....	73, 102
Animals slaughtered under Federal inspection, monthly slaughter July, 1910, to September, 1912.....	5-9
Ante-mortem inspection, taking of temperature when slaughter is deferred.....	2
Argentina, regulations for imported animal food products.....	52
“Armstrong’s Lime-Sulphur Solution,” dip permitted for official dipping of cattle and sheep for scabies.....	102
Arsenical—	
dipping baths, minimum strength.....	27
dips, directions for making S-B dip.....	28
dips for tick eradication, instructions.....	27
Authorizations—	
for fiscal year 1915, notice.....	52
travel, reports on Forms T15 and T31.....	103
Automobiles, hire of, instructions.....	116
Beef tongues, imported, inspection of.....	22
Blood, glands, etc., used for medical products, requirement.....	2
Board obtained on credit, subvouchers required.....	128
Branding—	
carcasses and parts for second-grade sterilization.....	106
ink other than bureau, use of.....	107
ink, restriction in use.....	107
ink, samples of ingredients.....	124
summer sausage	124
Brands—	
etc., imprints submitted for approval, instructions.....	149
rubber, for marking wrapped meats.....	46
Brazil, veterinarian desired in, notice.....	76
Calf’s foot jelly, discontinuance.....	21
Calves—	
must be under 12 months old.....	21
slaughtered under Federal inspection, monthly slaughter, July, 1910, to September, 1912.....	5-9
Canada—	
inspection of animals for, new form of certificate.....	11
meat exports to, stamps and certificates required.....	108
“Canned products—second class,” reporting of.....	136
Carbolic acid, etc., nonmailable.....	184
Carbon-treated oil must be free from sulphur.....	21

	Page.
Carcasses—	
and parts for second-grade sterilization, handling, etc.....	106, 135
infested with <i>Cysticercus bovis</i> , disposition.....	20
wrapped, marking of, requirement.....	3, 33, 46
Cars—	
disinfection of, instruction.....	144
exposed to hog cholera, movement without disinfection.....	101
removal of placards after disinfection.....	115
Cattle—	
for interstate movement, inspection and testing of.....	101
slaughtered under Federal inspection, monthly slaughter, July, 1910, to September, 1912.....	5-9
southern, location of public dips.....	89, 115
southern, movement restricted throughout year.....	144
southern, shipping places for immediate slaughter.....	73, 89, 101, 127
Cereal in meat loaf, etc., labeling of.....	3
Certificate for imported pork for use in summer sausage, etc.....	149
Certificate of mallein test of animals for Canada, new style.....	11
Certificates—	
export, necessary for meat to Canada.....	108
of origin and transshipment of imports, requirements.....	22
Cleaning of hog products.....	46
Cleaning of typewriting machines, responsibility of employees.....	16
Cloth coverings on meats, marking of.....	3, 33, 46
“C N Dip,” permitted for official dipping of sheep for scabies.....	72
Color guide for use in denaturing condemned grease.....	21
Composition of lime-and-sulphur dips, change permitted.....	102
Condemned meat, etc., used in manufacture of poultry feed conditions.....	32
Containers—	
metal, establishment number on.....	123
not used until finished labels approved.....	149
tin, establishment numbers on, requirements.....	158
Conveyance, hired, used by more than one employee, reporting.....	144
Conveyances, personal, use for official duties.....	91
Cooked meat and products, methods permitted.....	135
Cooked pork products, report required.....	32
Cooperation with Bureau of Chemistry, instructions to inspectors.....	22
Cooperative inspection of animals for interstate movement.....	101
“Coro-Natholeum Dip,” permitted for official dipping of sheep for scabies.....	72
Court cases, attendance of employees in.....	16, 76
Customs officials, report of import meats to.....	4
<i>Cysticercus bovis</i> , disposition of carcasses infested with.....	20
Cysts, tapeworm, disposition of carcasses infested with.....	20
Dead animals, shipment not allowed with live ones.....	144
Debts, employees’, nonpayment of.....	41, 129
Denaturing condemned grease, color guide for use in.....	21
Department records, issue of copies of, memorandum.....	77
Department Form No. 4, instruction in reporting.....	128
Dips—	
arsenical, directions for making S-B dip.....	28
arsenical, for tick eradication, instructions.....	27
arsenical, minimum strength of baths.....	27
for cattle in Texas fever quarantine, location of.....	89, 115
lime-and-sulphur, change permitted in composition.....	102
permitted for official dipping of cattle and sheep for scabies.....	73, 89, 102, 116, 181
permitted for official dipping of cattle for ticks.....	29
permitted for official dipping of sheep for scabies.....	11, 39, 51, 72
Disinfection—	
of cars exposed to hog cholera.....	101
of cars, removal of placards necessary.....	115
of stock cars, instruction.....	144
“Dow Lime Sulphur Solution,” dip permitted for official dipping of cattle and sheep for scabies.....	181
“Dr. David Roberts Disinfectall,” dip permitted for official dipping of sheep for scabies.....	39
“Dyo Dip and Disinfectant,” permitted for official dipping of sheep for scabies.....	72
Embossing establishment numbers on tin containers, requirements.....	158

Employees—	Page.
accidents to, reporting.....	42
accounts, place where expense incurred to be stated.....	78
accounts, receipts for registered mail required.....	78
agents entitled to leave with pay.....	102
attendance in court cases.....	16
board expenses, subvouchers required with accounts.....	128
conveyances, personal, use for official duties.....	91

debts, nonpayment of.....	41, 129
expense accounts, monthly, prompt rendering of.....	14
expenses, place where incurred to be stated.....	78
hiring automobiles, instructions.....	116
household goods, etc., transfer of.....	13
laundry charges, instruction.....	13
leave of absence for militia service.....	117
leave of absence, outside Washington.....	15
leave of absence when on probation.....	128
leave without pay, fractional.....	128
mileage and scrip, use of.....	14
notary service by, requirements.....	16
office supplies for extended trips.....	77
outside work, conditions when permitted.....	129
per diem allowance in lieu of subsistence, instruction.....	13
registered mail expense, receipts required.....	78
reporting on Forms T15 and T31, instructions.....	103
salaries, method of computing for short and long months.....	183
salary vouchers, instructions concerning signatures.....	128
sharing use of conveyance, method of reporting.....	144
telegrams, official, received "collect," reimbursement.....	185
telegraph addresses, registration of.....	41
typewriting machines, responsibility for.....	16
using privately owned motors, reports on Form A16.....	103
Establishment numbers on tin containers, requirements.....	158
Expenditures, employees, prompt submission of Form T15.....	14
Expense—	
accounts, changes in fiscal regulations.....	13
accounts, monthly, prompt rendering of.....	14
accounts, place where incurred to be stated.....	78
accounts, reporting on Forms T15 and T31, instruction.....	103
for registered mail, receipts required.....	78
Expenses for foot-and-mouth disease, classification, note.....	185
Exports—	
instructions for reporting.....	94
to Canada, stamps and certificates required.....	108
External parasites of live stock, field reports desired.....	115
February pay rolls, method of computing.....	183
Feed, poultry, use of condemned meat, etc., in manufacture of.....	32
Field stations, towel supply for.....	16
Field-testing outfit for arsenical dips, instructions.....	27
F. I. Forms 19, 21, and 62, not used for reloaded shipments.....	51
Fiscal regulations, changes in.....	12
Food and drug inspectors, list.....	23
Food and Drugs Act, cooperation with the Bureau of Chemistry.....	22
Foot-and-mouth disease—	
announcement of outbreak.....	133
expenses, classification, note.....	185
Form A16 for reporting use of privately owned motors, instruction.....	103
Form P1, instruction for reporting.....	77, 91
Form T15 reports, prompt rendering of.....	14
Form 3, salary vouchers, instructions concerning signatures on.....	128
Forms T11 and T12, instructions for reporting.....	15
Forms T15 and T31, instructions in use of.....	103
Forms 5 and T55, use of, instructions.....	117
"Formac," dip permitted for official dipping of sheep for scabies.....	72
Fractional leave of absence without pay, instructions.....	128
Glanders, ophthalmic test, reporting.....	51
Glands, blood, etc., used for medical products, requirement.....	2

	Page.
Glands, lymph, of tuberculous hog carcasses, inspection	95
Goats slaughtered under Federal inspection, monthly slaughter, July, 1910, to September, 1912.....	5-9
Goods, household, of employees, shipment of.....	13
Grease, condemned, color guide for use in denaturing.....	21
Hog carcasses retained for tuberculosis, inspection of	95
Hog products, cleaning of.....	46
Hog cholera—	
emanating from Texas, report requested.....	20
movement of exposed cars without disinfection.....	101
work, hypodermic syringes for	154
Hogs. <i>See</i> Swine.	
Horses for interstate movement, inspection and testing of.....	101
Household goods, etc., of employees, transfer of.....	13
Hypodermic syringes for hog-cholera work.....	154
Ice samples, method of taking.....	108
Ice used with meat food products, report of.....	108
Imports—	
beef tongues, inspection of.....	22
certificates of origin and transshipment, requirements.....	23
instruction for reporting.....	83
labels on, report when obtaining samples.....	32
livers must include portal glands.....	124
of meat and products from Mexico, order excluding.....	3
of meat, etc., labels or stickers on.....	4
of meat, etc., prompt reporting of	4
of meats, etc., reports to customs officials.....	4
pork for summer sausage, etc., certificate.....	149
reporting sealed cars, wagons, etc	138
samples for laboratory inspection.....	4
samples, reporting of.....	138
special seals for	137
stickers, inspection, for containers.....	137
Injuries to employees, report of.....	42
Ink—	
branding, other than bureau, use of.....	107
branding, restriction in use.....	107
branding, samples of ingredients	124
Inspection—	
legend on wrapped meats, requirement.....	3, 33, 46
of live stock for interstate movement, instruction.....	101
of meat trimmings, size required.....	158
Inspectors—	
food and drug, list.....	23
traveling, office supplies for	77
Inspectors in charge, telegraph addresses, registration of	41
Interstate movement of animals, inspection and testing for	101
“Iowa City Stock Dip,” permitted for official dipping of sheep for scabies.....	51
Jelly, calf’s foot, discontinuance.....	21
Labeling—	
imported meat products, instruction	4
of meat loaf, etc	3
of pork for second-grade sterilization	135
under net weight and volume regulations,instructions	149
Labels—	
calf’s foot jelly, discontinuance	21.
for second-grade sterilization products, note.....	107
furnished by Standard Label Co., notice.....	158
lithographed, on metal containers, various sizes of, instruction	33
net-weight law, text of new regulation	62
omission of establishment number permitted	123
on containers not bearing net weight, etc., ruling	82, 95, 123
on import meats, etc., instruction	4
on imports, report when obtaining samples	33
submitted for approval, size, etc	149
“when packed” on, discontinuance	58

	Page.
Laboratory inspection—	
collection, handling, etc., of samples.....	60
list of stations.....	59
method of reporting results.....	61
of imported meats, samples for.....	4
reorganization, methods, duties, etc.....	58-62

net weight and volume regulations, rulings.....	82, 95, 123
nitrate of soda, use permitted in preparation of products.....	122
pork for second-grade sterilization, transfer of.....	135
pork, refrigerated, permitted for summer sausage, etc.....	122
"retained" tags, new, instructions.....	136
second-grade sterilization, identification, handling, etc., of products for.....	106, 135
sheep carcasses affected with tuberculosis or actinomycosis, instruction.....	158
sulphur not permitted in oil used in meat food product.....	21
tonsils, classed as inedible.....	21
trimmings, size required for inspection.....	158
tuberculous organs, etc., in carcasses passed for food, disposal.....	107
veal or calves, definition.....	21
water samples for sanitary examination, collection of.....	95-96
Medical products, use of blood, tissues, etc., in manufacture of.....	2
Mexico, meat and products from, order excluding.....	3
M. I. Forms 109 C and 109 F, use for products for second-grade sterilization.....	106
M. I. Forms 109 F and 109 J, directions for reporting.....	22
M. I. Forms 109 FF, 161 A, and 162 A, for imports, instruction in use of.....	138
M. I. Form 109 J, forward within 3 days.....	4
M. I. Form 109 JJ, instructions for reporting.....	83
M. I. Form 109 L, report of import meat, etc., instruction.....	4
M. I. Forms 110, 114, 130, and 140, instructions for reporting.....	136
M. I. Form 113, instructions for reporting.....	58
M. I. Form 121, instructions for reporting.....	94
Mileage and scrip, use by employees.....	14
Militia service, leave of absence for.....	117
"Moroil," dip permitted for official dipping of sheep for scabies.....	73
Motor vehicles, hire of, instructions.....	116
Motor vehicles, privately owned, reporting use on Form A 16.....	103
"Mulsol," dip permitted for official dipping of sheep for scabies.....	39
"Natico," dip permitted for official dipping of sheep for scabies.....	39
Net weight—	
and volume regulations, rulings.....	82, 95, 123
etc., law, discontinuance of term "when packed".....	58
etc., on packages, text of amended regulation.....	62
regulations, labeling.....	149
Nitrate of soda, use permitted in preparation of products.....	122
Notary service by employees, requirements.....	16
Oil used in meat food products, sulphur not permitted.....	21
Ophthalmic test for glanders, reporting of.....	51
Organs, etc., tuberculous, in carcasses passed for food, disposal.....	107
Organs, tissues, etc., used for medical products, requirement.....	2
Outside work by employees, conditions when permitted.....	129
Package goods, rulings under net weight and volume regulations.....	82, 95, 123
Parasites, external, of live stock, field reports desired.....	115

	Page.
Parcel post—	
instructions concerning use of	15
use for transfer of mail to bureau offices.....	78
Pay rolls—	
February, preparation of	14
for short and long months, method of computing.....	183
Per diem allowance in lieu of subsistence, memorandum	13
Permits for importation of veterinary biological products, list	55, 75, 115
Personal conveyances, use of, for official duties	91
Placards on cars, removal after disinfection.....	115
Pork—	
for second-grade sterilization, transfer of.....	135
imported, for use in summer sausage, etc., certificate.....	149
products, cooked, methods approved.....	135
products, cooked, report required.....	32
refrigerated, use for summer sausage, etc.....	122
Postal regulations for mailing dangerous substances.....	184
Poultry feed, use of condemned meat, etc., in manufacture of.....	32
Q. D. Form 20, new style, instructions	11
Q. D. Form 69, use for reporting ophthalmic test for glanders.....	51
Quarantine—	
Texas fever, in force throughout year.....	144
Texas fever, location of public dips.....	89, 115
Texas fever, places where cattle may be shipped for immediate slaughter.....	73,
89, 101, 127	
Records, department, issue of copies of, memorandum.....	77
Registered mail, charges for, receipts required.....	78
Regulations, postal, for mailing dangerous substances.....	184
Reimbursement of payments for official telegrams, note.....	185
Reporting—	
canned products, second class.....	136
hire of conveyance used by more than one employee.....	144
import meats, promptness required.....	4
import meats, reports to customs officials.....	4
Reports of laboratory inspection, methods.....	61
Requisitions, monthly, for supplies, instructions.....	91
“Retained” tags, new, instructions	136
Ribbons, typewriter, ordering of	16
Rubber brands for marking wrapped meats.....	46
Rubber stamps for addressing franks, etc., notice	42
Salaries, method for computing for short and long months.....	183
Salary vouchers, instructions concerning signatures on	128
Salmon, Dr. D. E., announcement of death	118
Salt peter (Chile), permitted in preparation of products.....	122
Samples—	
for laboratory inspection, collection, handling, etc.....	60
laboratory, reporting results of inspection	61
of arsenical dips, transmission of	27
of ice used with meat food products, method of taking	108
of import products, report on labels	33
of imports for laboratory inspection, instruction	4
of imports, reports for	138
of ingredients used in branding inks, submission	124
water, for sanitary examination, collection of	95-96
Sanitary examination of water, instructions.....	95-96
Sausage—	
summer, branding of	124
summer, use of refrigerated pork for	122
S-B dip, directions for preparing	28
Scabies eradication, change permitted in composition of lime-and-sulphur dips	102
Scrip and mileage, use by employees	14
Sealing of boxes, etc., containing pork for second-grade sterilization	135
Seals, special, for imports	137
Second-grade sterilization, identification, handling, etc., of products for	106, 135
Service Announcements, back numbers requested	130
